Welcome

TO OUR WEDDING

As a family run business, we are absolutely passionate about making your day as wonderful as you've always dreamed it could be. We are on hand from the moment you view our beautiful venue right up until you leave as husband and wife!

Nestled in 50 acres of rolling countryside in West Wales, with far reaching sea views, our idyllic surroundings offer a laid back ambience. We pride ourselves on our attention to detail, allowing you to relax and enjoy luxury with a personal touch.

## A Blank Canvas to Make Your Own

One of the greatest advantages of having your wedding with us is that the whole venue is yours alone for the entire day. You will enjoy exclusive use of the barn and our surrounding grounds. Coupled with the neutral décor throughout, you have a purpose-built and dedicated wedding space which you can truly make your own.

Since we began, we have hosted diverse weddings, with some couples choosing to keep things simple and rustic, and others decorating the barn with some truly breath taking, towering floral arrangements.

And whatever ideas you have in mind for your wedding, with the help of some trusted recommended suppliers, rest assured that The Shed will look both unique and absolutely stunning on your special day.

## The Perfect Backdrop For Your Guests and Wedding Photos

Whether you're indoors or outdoors, the perfect photo opportunity is never far away at The Shed, with acres of land gently sloping down to the Ceredigion coastline, it offers a stunning backdrop for your wedding photos. There is plenty of space and a variety of options to allow you and your guests to spread your wings and have the most wonderful day.
